WAYS TO HELP

ST. MATTHEW'S HOUSE

St. Matthew's House is a 501(c)(3) nonprofit that has spent over 30 years dedicated to fighting hunger, homelessness, and addiction. Because of our unique social enterprise model, 100 % of every dollar donated goes to support our programs. Our desire for excellence has earned us the trust of many businesses, schools, churches, and individuals throughout Southwest Florida and across the nation.

Through these partnerships, we have been able to accomplish much more than we ever could on our own. These relationships are more than a means to an end; they are an end in themselves. At St. Matthew's House we know that overcoming homelessness, hunger, and addiction requires more than shelter, food, and medical treatment—it requires a community. As such, we bless those we serve with more than just their material needs; we bless them with relationships.

At St. Matthew's House we believe that in order to see with eyes of Christ, we can give to others much more than their outward necessities; we can give them the look of love, which they crave.

It is into this joyful work that we invite you to join us—as a volunteer, donor, or friend.
